Our Mission & Vision

Our Mission

Our mission is to treat our customers and supplier with honesty, integrity, and respect. We are committed to providing high-quality, sustainable, and safe food products while ensuring competitive pricing and reliable service. Through innovation and professionalism, we strive to contribute to sustainable agriculture and build long-term business relationships worldwide.

Our Vision

To become a supplier of choice and a trusted global organization known for excellence in trade dealings. We aim to build strong and lasting relationships with all stakeholders, including customers, suppliers, logistics partners, employees, and everyone involved in the value chain through integrity, reliability, and mutual growth.

From Surat to the World

Founded in Surat, Gujarat, DGMC EXIM was established with a clear vision to bring India's finest agro products to global markets. What started as a commitment to quality, integrity, and customer satisfaction has grown into a Government of India-certified export company serving customers across the globe.

Every step of our journey is guided by our belief that quality, hygiene, and honest business relationships are the foundation of long-term success. From sourcing premium agricultural products to delivering export-ready shipments worldwide, we remain committed to excellence in every aspect of our business.

- Founded on quality and integrity
- Government of India certified exporter
- Serving international markets reliably
- Premium Agro Products with Global Standards
- Trusted Partnerships Across the World

DGMC EXIM – Connecting Indian Excellence with Global Markets.

The Road We're Building

Five defining phases shaping DGMC EXIM into a trusted global export partner.

PHASE 01 – The Beginning

Started with a Vision

Founded in Surat, Gujarat, DGMC EXIM began with a mission to connect premium Indian products with international markets through trust and quality.

PHASE 02 – Business Foundation

Certified & Registered

Established with essential business registrations including IEC, GST, MSME, and export compliance, creating a strong foundation for global trade.

PHASE 03 – Product Expansion

Growing Product Portfolio

Expanded our range into agricultural, organic, and food products, including Moringa Powder, spices, grains, and other export-quality commodities.

PHASE 04 – Going Global

Building International Reach

Strengthened logistics, documentation, and supplier networks to deliver reliable and export-ready shipments across global markets.

PHASE 05 – Today & Beyond

Future with Growth

Focused on building long-term partnerships through quality products, competitive pricing, professional service, and trusted global relationships.
